

## **NOTICE TO ALL CAREFOR FOOT CARE CLIENTS**

As of **AUGUST 1, 2008**, Carefor will be billing clients for any missed foot care appointments for which we did not receive notice. While we will continue to make every reasonable effort to contact clients prior to their clinic appointment, it is still the responsibility of individuals to be aware of their upcoming clinic appointments and to notify Carefor if he or she is unable to attend.

“Missed” appointments greatly affect the organization of the clinics and in some areas of the county, Carefor is experiencing wait lists for foot care appointments – wait lists that could be reduced if we are aware of an open appointment time.

Thank you for your continued support and understanding!
