

Seniors Shopping Program

Are you a senior who is confined to your home due to illness, recent surgery? Do you find it difficult to walk/stand in the grocery stores for any length of time? If so, Seniors Home Support has created a new program that is directed at you.

Seniors who would require this service need to register for this program by calling our office. You should have met one or more of the above mentioned criteria.

It is designed to work this way: the senior registers with our office, each Wednesday, Jack & Faiths No Frills Grocery Store will have staff who will complete your shopping for you. You will call in your order to the grocery store between 9:00am and 10:00am . Once your shopping has been completed, No Frills will call you and let you know the amount you owe.

You will then call Seniors Home Support office and we will have volunteer drivers who will go to your home, pick up your payment for the groceries and deliver them back to you.

If you know of someone who could benefit from this program and they meet the above criteria as mentioned above please call our office. Please note, we are always looking for volunteer drivers who would donate 1 hour of their time on Wednesdays.
